SUMMER CAMP WAYS TO GIVE

Eme Ellis Endowment

Proceeds from this endowment generate funds necessary to purchase outdoor adventure supplies and equipment for summer camp.

The purchase of kayaks, canoes, life jackets, paddle boards, and paddles helps to enhance the summer camp experience for our campers.

Christopher Currie Endowment

Proceeds from this endowment go toward our general scholarship fund allowing Beckwith to help families pay for a portion of their camp fees each summer.

These scholarships enable those who otherwise could not attend camp to come and enjoy that one - of - a - kind summer camp experience in God's front yard!

Special Ministries Graduate Scholarships

This scholarship program allows campers who have aged out of our Special Ministries program (our camp session specifically designed for the children from low - income families in Mobile and Pensacola) to continue to attend Beckwith summer camp without any cost to them. These campers get the opportunity to return to their age appropriate camp sessions outside of the Special Ministries program.
