

CAMP BECKWITH

FUN FACTS

Who Can Come to Camp?

We have camp sessions for children as young as *rising 3rd graders*, to youth who are *rising 12th graders*.

And we have Family Camp for families with *rising 1st & 2nd graders*. Family Camp is a great way to get a taste of summer camp!

Beckwith

Beckwith had its first summer camp in 1972

That first summer, there were 6 sessions and 150 campers.

Since then, we have added more cabins and our own high/low ropes course, and now serve around 700 campers each summer.

Dean's Program

A staple of summer camp at Beckwith is our Dean's Program. Each week, a different clergy member from the Diocese volunteers to serve for a camp session. They lead morning devotion as well as our Dean's Program hour--a time where campers will learn about a Bible verse or passage, and participate in games, crafts, and other activities that will highlight what they learned.

Did You Know?

According to research conducted by the American Camp Association, summer camp helps to improve campers' senses of self-confidence, creates safe spaces for campers to learn new skills, and allows campers the opportunity to make new friends!

Camp also helps fight the phenomenon known as "summer learning loss" by keeping campers engaged physically, mentally, and spiritually!

We have SO MANY activities to offer!

- sailing
- kayaking
- canoeing
- arts & crafts
- environmental education
- rock wall
- zipline
- high ropes course
- low ropes course
