CAMP MEDICATION FORM

Camper Name: \_\_\_\_\_

Camp Session: \_\_\_\_\_

Your camper's health and well-being during camp is of utmost importance to us! For us to treat and properly care for your child, we ask that you fully complete this form even if your child doesn't regularly take prescription or over-the-counter medication.

Please accept this signature as my permission for the camp nurse to provide my child over the counter (OTC) medication (i.e. aspirin, ibuprofen, Benadryl, Pepto-Bismol, etc) we may have not brought for them to treat symptoms such as headaches, allergies, upset stomach, etc.

In addition to providing current prescription information there is room to provide information about OTC medicines **you will be providing** for your child while they are at camp. Our camp stock of OTC medicines is limited, so please provide anything you foresee your child needing during camp.

Please Note: All OTC medicines will be given following manufacturer's recommendations. If your child is younger than 12 and the medicine sent is not recommended for children younger than 12, a signed statement from the child's physician or health care provider authorizing administration of the OTC medicine will be necessary.

Suggested over-the-counter medicines: something for pain/fever [ex. children's Tylenol or Ibuprofen], something for allergy relief [ex. Benadryl], and something for upset stomach [ex. Pepto Bismol]. You may wish to consult with your child's physician or health care provider regarding what medication[s] to send.

If your child is bringing nasal sprays or inhalers and you wish your child to keep and self-administer them, then written authorization must be received from your child's physician.
